

# Parish of Ashbourne and Donaghmore

## Altar Servers

Altar servers assist the priest at weekend Masses, special celebrations, weddings and funerals. This ministry provides an opportunity for young people to serve God and their parish family. It allows them to play an intricate role in the Mass itself.

Boys and Girls serve at Mass on a regular scheduled basis. Altar Servers assist the priests and ministers, and set an example for all people, especially the young, during our liturgies.

Boys and Girls who have **completed 2nd Class** are eligible to serve.

If you wish to become an Altar Server, please complete the form below and return it to the Parish Office.
