A dream? To live with a people who believe in Love, in a world where I will be loved freely for who I am and where I can freely love others. To live where I will be cared for by everyone and will be free to take care of others. To live where I will be respected just because; I am - and where I respect others just because; they are. To know that my children, my brother, my sister, my parents, all my family are free to experience and to give this Love. To live with a people whose faces shine a light of hope, a light that comes from deep within, a light which even in the darkest times glimmers the reassurance – there is more, you are not alone, you can make it.

A vision of reality? Could this lovely dreamy existence ever come to be? This is part of the reality that we are challenged by Jesus to create. A reality that defies individualism, materialism and all things insular. A reality that looks out over the world and has everyone at its centre.

YOU ARE THE CREATORS
Ordinary men and women, good people who are just that: good but who are human. Imperfect though we may be, we aim in the direction of perfection, we aim for the dream and we live in hope. Through us the Christian Community comes to life. Through us the world of Love and Hope is created.

“DO WHAT YOU CAN,
WITH WHAT YOU HAVE,
WHERE YOU ARE.”
Theodore Roosevelt

Scripture: 1Cor 13:4-7
Love is patient; love is kind;
it is not envious or boastful or arrogant or rude.
It does not insist on its own way;
it is not irritable or resentful;
it does not rejoice in wrongdoing,
but rejoices in the truth.
It bears all things,
believes all things,
hopes all things,
endures all things.
