

# GIFT & PLEDGE FORM 2018

## "FAMILIES HELPING FAMILIES ACROSS THE WORLD"

**BUY A BRICK**—Ashbourne-Donaghmore Parish is twinning with Ikire Parish in Nigeria for this year's Confirmation Preparation Project. The Parish's needs are great and urgently require the construction of toilets and the provision of a well for clean running water and crop irrigation.

Students will receive many gifts, including the gifts of the Holy Spirit at the time of their Confirmation. As families in our parish prepare for the World Meeting of Families, Confirmation students are invited to pledge a number of bricks from the money gifted to them at Confirmation time which will assist in providing toilet facilities and running water for the children in Nigeria. Each brick costs just €10! €6,500 is required to complete the projects.

### Who can help?
